

Updated Supervisor District Mapping Data

12/12/2024

What is included in this update:

- Updated CPF Round 1
- Projected Challenge Process Results
 - For example, if a location was successfully challenged as "unserved", the location switch from "served" to "unserved" in the csv.

What is not included yet:

- CPF Round 2 - Pending completion of the State Challenge Process
- Federal Deduplication - Pending NTIA Challenge Acceptance, map will be trued up to the Oct '24 release
- Other Federal Deduplication - Pending Award Finalization from USDA and potential others

Please also note that the **map has not been updated**.
